

Torey Ivanic

Torey Ivanic, MS CHom, is an author, speaker, health care provider and intention catalyst who helps people live healthy, authentic and fulfilling lives.

By combining her own personal experience with her background as a physician assistant and homeopath, she delivers compelling yet relatable presentations which empower attendees to live courageously and be well. She is available for conferences, on-line events, interviews, panels, meetings, retreats, workshops and seminars. Her diverse experience allows her to adapt topics to suit your venue and audience.

Best Selling Author of No Big Deal, and Founder of Open Space she is an experienced entrepreneur, health care provider, mom and coach. She works with entrepreneurs and CEO's helping them stay in alignment with their values as they rise to the top.

SPEAKING TOPICS

RIGHT Your Story

The key to healing and living a more joyful life starts within. We are often our own worst enemy and we can also be our own best friend. We need to Open Space for change to happen.

Learn what it takes to clearly see the faults in the story YOU are telling yourself, and the power you hold to RIGHT your story.

It IS a Big Deal

What would your daughter do if faced with a situation you endured? You survived the situations, but would you want the same for her?

Join me in shedding light on the societal framework that allows a continuing abusive cycle for our children. Walk away with three things you can do today to protect them.

PRAISE FOR TOREY

"Torey moved me to confront my own personal story and encouraged me to use what I'd learned to follow my path in a new direction."

Rania Pommer | MS Geosciences, Author

"Torey Ivanic is a force of nature. It's time to expand this conversation and Torey is the person to lead the way."

Ursula Mentjes | Award Winning Author and Entrepreneur

"Torey's honest vulnerability and raw introspection creates a space for people to own and speak their difficult truths."

Molly Fiore Author | Suicide Prevention Expert
